

## Gyprock Symphony™ Cornice

Symphony is part of Gyprock's Inspirations range of cornice profiles. Inspired by European master craftsmen, Gyprock Symphony cornice hits all the right notes with its timeless design.

More traditional in style, this 75mm cornice combines a strong shadow line and multi-dimensional curves to create an attractive wave effect. If elegance defines your space, Symphony is the cornice choice for you.

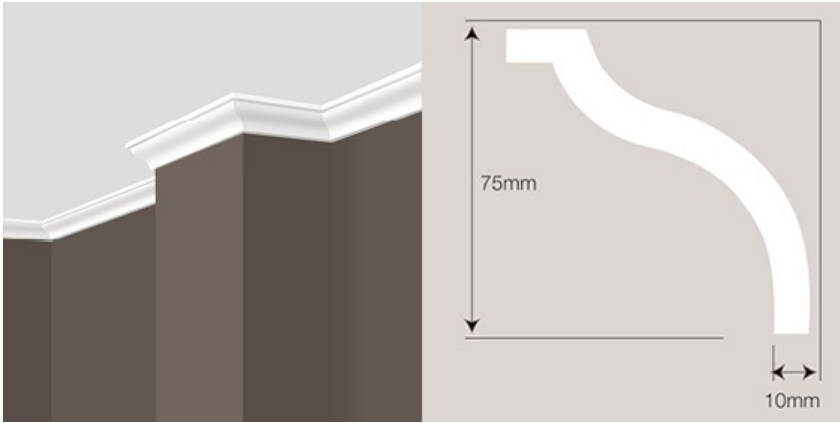

The softer curves of the Symphony cornice also makes it ideal for rooms that have lower ceilings.

To see how Symphony can enhance your room check out our [cornice visualiser](#) and download our [HomeStyle magazine](#) for great ideas and style tips to create the look you love.

For a more modern style that combines smooth curves and a dramatic centre step, [Gyprock Concerto](#) is the an ideal complementary profile.

Plasterboard cornice is extremely easy to cut, join and paint with no special tools or fixing equipment required, making it a cost-effective way to create great ambience at home.

Consider cornice when you are planning a new home to add detail and a personal touch. For a complete look, keep your architecture and door hardware in theme with your cornice style.

# Cornice Manufacture

Gyprock Symphony cornice is composed of gypsum plaster encased in a strong linerboard and is manufactured to stringent product specifications.

## Installation

Comprehensive installation instructions for Gyprock cornice can be found under the [Resources](#) tab and include:

- [DIY installation guides](#)
- [DIY installation videos](#)
- [Residential Installation Guide](#)

For assistance with installation, try searching for a Gyprock plasterer, builder or repairer under the [Locations](#) tab.

## Painting and Decoration

Finishes applied to cornice surfaces can have a significant effect on the perceived quality of the installation, particularly where critical lighting conditions exist.

- Matt finishes minimise imperfection visibility
- Semi-gloss and gloss finishes highlight imperfections
- Light colours are less likely to show imperfections

Gyprock recommends paint systems consisting of one coat of a plasterboard sealer followed by two coats of finishing paint. Always follow the manufacturer's instructions for application and recoating.

Gyprock recommend decoration in line with [Master Painters Australia](#).

## Material Safety

### MSDS

A [Material Safety Data Sheet](#) for Gyprock cornice is available from the Gyprock website under the [Resources](#) tab.

### Handling

For guidelines on the safe handling of Gyprock cornice, reference should be made to the Gypsum Board Manufacturers of Australasia (GBMA) publication *"Move it the GBMA Way – A Safe Manual Handling Guide for the Plasterboard Industry – Training Guide"* (Reference SS172).

Be inspired by projects that include Gyprock Symphony.

The smooth, multidimensional curves of Symphony add a sense of serenity and fluidity to this bedroom. See more in the third edition of [HomeStyle magazine](#)

Symphony is suited to rooms with low ceilings like this home office. It visually enlarges the space and creates an instant sense of formal style. Find out more about this room in the first edition of [HomeStyle magazine](#)

Inspired by European master craftsmen, Symphony™ combines a strong shadow line and multi-dimensional curves to create an attractive wave effect that adds a striking sense of formality to any room in the house including hallways.

Gyprock products are manufactured for life with all CSR products designed to achieve optimal performance when part of a CSR integrated system
